COME HOME TO QUALITY

Only have in your home what you believe to be truly meaningful and extraordinary. Stone Ambassador recognises that surfaces not only have to be beautiful and inspiring, but that they have to be lived on and used as a key part of your home.

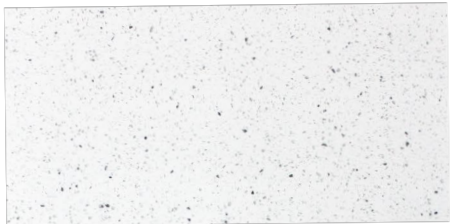

Your surface is not simply a display; it is a place for entertaining, cooking and sharing memories. Our objective is to inspire you to create a space that you can be proud of.

Our dedication to quality and our industry leading measures allow for the creation of a coveted and bespoke product that can be found in a plethora of colours and textures.

Stone Ambassador surfaces are beautiful in design, reliable and impervious to everyday use, this is reinforced by a 10-year limited warranty as well as certifications from Greenguard and the NSF.

Our vast range encompasses luxurious engineered stone with picturesque flowing veins, industrial matt finishes and blends showing off fine quartz grains. This and more can all be found across 5 extensive ranges, all of which can be perfectly matched to suit all interior decors and functional needs.

For an unforgettable impression, choose naturally occurring Stone Ambassador quartz in your next design to enhance the colour palette of your space and to create beautiful lines and textures with our finishes.
